

## **IUD/NEXPLANON BENEFITS**

Call the member services number, on the back of your insurance card, to check your benefits for the device you are interested in. Ask your insurance rep what coverage you have and any out of pocket expense you may have (i.e., deductible, coinsurance, etc). Get the name of the person you speak with and a call reference number.

This call is not an authorization. The information will help you make an informed decision and make you aware of out of pocket expenses you may have.
